

Emerald Tablet

A Personal Version

The absolute Universal Truth.

That which is Human, corresponds to that which is Divine, and that which is Divine corresponds to that which is Human, to accomplish the miracles of the perceived reality, through the meditation of the divine mind, so do all created things originate from this perceived reality through transformation.

Its father is the divine masculine its mother the divine feminine, imagination carries it in its belly, it is grounded in the Earth. It is the origin of All, the consecration of the Universe: its strength is perfected if all the forces are conjoined.

Separate the Truth from Illusion, the Subtle from the Gross, gently and with great Ingenuity. It rises from the human mind to the divine mind and descends again to the human mind, thereby combining within itself the powers of both the divine and the human.

Thus will you obtain the Glory of the Whole Universe. All Obscurity will be clear to you. This is the greatest Force of all powers, because it overcomes every Illusion and penetrates every Solid obstacle.

In this way was the Universe created. From this comes many wondrous Applications because this is the Recipe.

Therefore I am called Thrice Greatest, having all three parts of wisdom, Soul/Emotion, Spirit and Body/Physical. Herein I have completely explained the transformation into Light.
